August 2008

TO: All Club Registrars

SUBJECT: Deadline for the 2008 swim year and other information

Club Registration: December 15, 2008
(form included – 4 pages – fee \$100.00)

Athletes and Non-athletes: No later than December 26, 2008.

There is additional information that is being asked for – Father's and Mother's name. For your information, it is not mandatory but USA Swimming would like to have it on the SWIMS database.

The club registration must be sent before the athletes and non-athletes registrations. Without it, the athletes and non-athletes cannot be registered to the club. They will be registered unattached until the club registration is received.

When renewing your coaches' membership, please remember to send copies of their current CPR, First Aid, and Safety Training for Swim Coaches cards (STSC) – front and back. Please make a copy of the 2008 – 2009 Coaches Safety Curriculum and pass it on to your coaches so that they know what courses they can take to satisfy their certification. There are some certifications that will not be accepted. Please advise your coaches to review the acceptable courses.

The athlete, individual non-athlete fees, and seasonal fees have gone up another \$1.00 for 2008 that makes the athlete fee and non-athlete fee \$55.00, seasonal fee is \$30.00. The club (\$100.00) and outreach (\$7.00) fees did not change. The non-athlete family membership will be \$97.50.

Seasonal forms will not be sent with this packet. Please let me know if you need them. The seasonal registration begins on May 1st and ends on August 31st.

Seasonal registration lists will be sent upon request, right after the last meet in August 2008 to let you know who needs to re-register year round as of September 1st.

Thanks for all your help during the year. What you do helps make my job easier.
