August 2008

TO: All Club Registrars

SUBJECT: Deadlines for the 2008 swim year and other information.

Club Registration: December 15, 2008
(form included – Revised for 2008
4 pages – fee \$100.00

Athletes and Non-athletes: No later than December 26, 2008.

There is additional information that is being asked for – Father's and Mother's name. For your information, it is not mandatory but USA Swimming would like to have it on the SWIMS database.

The club registration must be sent before the athletes and non-athletes. Without it the athletes and non-athletes cannot be registered to the club. They will be registered unattached until the club registration is received.

When renewing your coaches' membership, please remember to send copies of their current CPR, First Aid, and Safety Training for SWIM Coaches cards (STSC) – front and back. Please make a copy of the 2008-2009 Coaches Safety Curriculum and pass it on to your coaches so that they know what courses they can take to satisfy their certification. There are some new courses that were added and some of the old removed.

The athlete and individual non-athlete fees have gone up another \$1.00 for 2009 that makes it \$55.00. The club (\$100.00) and outreach (\$7.00) fees did not change. The non-athlete family membership will be \$97.50. Seasonal forms will not be sent with this packet. Please let me know if you need them. The seasonal period starts May 1st every year and ends August 31st.

An important note:

- Please be aware that the LSC Board unanimously passed in June 2005 to change the registration deadline for swimmers entered in upcoming meets. Registration applications of new or renewed swimmers that are participating in an upcoming meet, must submit their registration form to the Registration Membership Coordinator at the time team entries are due to the club accepting the entries. The Registrar will no longer accept registrations on the day of the meet. Registration that is received after the deadline will not be processed. If the athlete swam in the meet, the team will be subject to a \$100.00 fine.
- Also teams with transferred athletes must complete a transfer form prior to entering the swimmer in a meet. There will be a \$50.00 fine when transfers have not been completed prior to the athlete's participation in the meet.
- Two copies of the Hawaiian Swimming Registration Roster that is in your packet, must accompany your athlete registration applications, notating check number and amount of payment located on the Hawaiian Swimming Registration Roster form. List names of swimmers that you are registering on that form.
- Please inform all parents that all registration payments for athlete, transfers, non-athlete and coaches need to be submitted with a club check. No personal checks will be accepted.
- Seasonal registration lists will be sent upon request, right after the last meet in August 2008 to let you know who needs to be re-register year round as of September 1st.
