Re: Procedures for Athlete and Non-Athlete Registrations

This is a reminder to all teams regarding the procedures for USA Swimming registrations for athletes and non-athletes:

- ❑ All registrations must be submitted by the club registrar. Direct registration from individuals will not be accepted and will be returned.
- ❑ Include TWO copies of the appropriate Registration Summary form which is available on www.hawaiianswimming.org under Documents/Registration Information and Forms.
- ❑ Payment must accompany the registration summary forms. Only club checks will be accepted for payment. No personal checks will be accepted.

Any registrations received that have not followed the above procedures will be returned and will cause a delay in registration.

Any registration questions should be directed to Gwenn Tomiyoshi at jackel@hawaiiantel.net.

Thank you all for your cooperation.
