- Results:** Live results will be available at: www.live.hawaiianswimming.org
Final results will be available at: www.hawaiianswimming.org
- Rules:** The meet will be conducted in accordance with current USA Swimming and Hawaiian Swimming rules. The Meet Marshals, with concurrence of the Meet Referee, shall have full authority to remove or have removed from the vicinity of the competition anyone behaving in an unsafe manner or using profane or abusive language or whose actions are disrupting the orderly conduct of the meet.
- Format:** Timed finals for all individual and relay events. Seeded and swum slowest to fastest.
- Timing:** Automatic timing system with manual backup.
- Divisions:** Individual Events: 10&Un, 11-12, 13-14, and 15-18.
Relay Events: 10&Un, 11-12, and 13-18.
The age of the athlete of the first day of the meet will govern the entire meet.
- Events:** See attached Order of Events.
- Eligibility:** All athletes must be currently USA Swimming registered with Hawaiian Swimming and their registration number must be included in the entry file. All NEW registrations must be mailed directly by a Club Registrar to the LSC Registrar. New registrations must be POSTMARKED NO LATER than the registration deadline listed above. No deck registration will be accepted. **It is the legal responsibility of each club to ensure that each athlete entered is USA Swimming registered for the current year.**
- Entries:** Requirements: Athletes must have previously met the established Hawaiian Swimming 'A' or 'AA' time standards of their age group for Short Course Yards, Short Course Meters, or Long Course Meters for each individual event entered on or after **March 14, 2009**. Best times achieved must be converted (using LSC approved Hy-Tek conversion formulas) to the conforming meet course and must not match or better the Hawaiian Swimming 'Q' time standards. 15/16 and 17/18 year-old athletes are to use their respective Hawaiian Swimming age group time standards for determining individual event eligibility in the combined 15-18 divisions.
New for the 2009-10 swimming season:
- Athletes who have achieved the Hawaiian Swimming 'Q' time standard of their age group in THREE (3) OR MORE individual events ARE NOT eligible to enter or compete in the meet.
 - Eligible athletes who have achieved the Hawaiian Swimming 'Q' time standard of their age group in a given stroke ARE NOT eligible to compete in the respective stroke/leg of a relay event.
- Limits: Eligible athletes may enter all qualified individual events but will be limited to compete in at most three (3) individual events and one (1) relay event per day. The last entry exceeding the limit, either per day or for the meet, will be automatically scratched unless a scratch is received via the scratch box (see scratch procedure below).
- Procedures: All required files and reposts for entries must be E-MAILED NO LATER than the entry deadline listed above. The check for entry fees and entry fee report must be POSTMARKED NO LATER than the payment deadline listed above. An acceptable check for entry fees must be included or entries will be considered invalid.
- All athletes, including relay-only athletes and relay-only alternates, must be listed in the entry file with complete information for each athlete (name, gender, USA Swimming ID number, age, birth date and event information).
- Each relay entry must have an entry time - "NT" entries are not permitted. Use the Team Manager program to convert best individual times to the conforming meet course for aggregate relay entry times.

Entries must be submitted electronically using Hy-Tek Team Manager AND include:

- 1) "Team Report" with coach and entry person contact information.
- 2) "Entry Fee Report".
- 3) "Entries Report" utilizing the "Proof of Time" function.

Verification: The LSC Times Administrator must have a copy of the meet results before times can be used for entering this meet - including results from neighbor islands and out-of-state. It will be the responsibility of the clubs to submit meet results with their entries if not using LSC meets. High school league championships and the state high school championship times may be used if the swims were observed. Please consult with the LSC Times Administrator for those swims.

The qualifying time standard for individual swims or aggregate times used for relays must have been achieved during the eligibility period at USA Swimming sanctioned meets or Hawaiian Swimming LSC approved meets. Eligibility AND entry times must be based on best achieved times converted to the conforming meet course. Times that cannot be proven within the qualifying period will be removed prior to the event or disqualified for each infraction discovered after the event is swum.

Scratches: A scratch box will be available for scratches in the Clerk of Course office each day of the meet.

- Scratches for Individual Entries are due ninety (90) minutes prior to the start of each session.
- Scratches for Relay Entries are due at the start of each session.

Athletes are considered checked-in for all individual events entered unless scratched by the time specified. Only the club coach/individual athlete may scratch an event. A copy of the scratch form will be returned to the coach/athlete as verification.

Relay Cards: Coaches shall pick up a list of eligible relay athletes and relay cards from the Clerk of Course office. Coaches are responsible for verifying all eligible relay athletes and alternates on the eligibility list and returning the relay cards to the Clerk of Course by the relay scratch deadline. Coaches are to list the tentative order of competing relay athletes (names - first and last) on each relay card. Relays will be scratched if cards are not submitted on time.

A copy of each relay card will be returned to the team folder (or box) in the Clerk of Course office. Coaches may change the relay order and are allowed to add or substitute the names of eligible relay athletes only on the returned card. Athletes are to submit cards, if changed, to the Head Lane Timer prior to the start of the race. Failure to submit a correct relay card may result in disqualification of the relay.

Lane Reporting: All athletes are responsible for reporting directly to the assigned lane when their heat is called. Heat sheets will be posted specifying heat and lane assignments for events entered and not scratched according to procedures. Failure to be at the assigned lane will be subject to the "No Show" rule.

Declared

False Starts: A "Declared False Start" is when the athlete reports to the Meet Referee prior to the start of the event and declares his/her intent not to compete. The athlete will be disqualified from that event without penalty.

No Shows: Athletes who have been seeded in an individual event and are not at their starting block when their heat is called, will be automatically disqualified from ALL subsequent individual AND relay events for the remainder of the day unless the Meet Referee is notified of illness or injury.

Additionally, the athlete will not be seeded in their individual events nor will he/she be allowed to participate on a relay for the next day UNLESS they declare their "intent to swim". The athlete, or coach, MUST declare his/her intent to swim in the next day's events before the scratch box closes.

In the event that an athlete is a "no show" for his/her first event due to unforeseen circumstances, the Meet Jury will convene to determine the athlete's eligibility to compete the remainder of the day without penalty.

Warm-Ups: Warm-ups must be supervised by a USA swimming registered “Coach Member” following guidelines established by the LSC. Supervising coaches are required to have their USA Swimming Registration card prominently displayed at all times. The Meet Marshals will enforce the warm-up procedures and maintain order in the swimming venue. Disregard of USA Swimming safety rules will be grounds for disqualification of athletes from competition. Warm-up lanes may be assigned by the Meet Director.

Protests: Protests may be registered only with the Meet Referee within thirty (30) minutes of the infraction. This protest must be written and signed by the athlete’s registered coach. The Meet Jury will convene to resolve protests only if the situation cannot be resolved by the Meet Referee in accordance with USA Swimming and/or Hawaiian Swimming rules.

Meet Jury: A 5-member meet jury will be appointed consisting of: 1 coach, 1 official, 1 athlete, and 2 at-large.
